Pre-Kindergarten News

INSIDE THIS ISSUE:

Pre-Kinder News pg1

[Preschool 2 pg2](#)

[Preschool 3 pg3](#)

Parents,

Welcome to the new school year. This year as last year we would like our children to eat less sugar. If your child has allergies and you need to send a lunch, then that would certainly be acceptable. If you have any favorite food suggestions, please write them down and we will try to incorporate them into our menu.

Thank you for sharing your child with us. Let us have healthy, happy children.

MOA Staff

Week 1 – Mister M – Munching Mouth

This week we will learn about the letter M, how it sounds, how it is formed, and words that begin with M.

Preschool 3 Newsletter September 2019

Week 1 – Friends

This week we will be starting a unit on Friends, which will include discovering people of all ages and even animal friends. The children have made many new friends at school with whom they are learning to take turns, cooperate, work and play together.

Activities:

- ...make a friendship chain to share with our friends
- ...cut & glue string along the number 1
- ...make apple prints
- ...make a classroom photo album
- ...design & run through an

obstacle course on the playground

- ...taste apples for the letter A
- ...make a friend chart with hair & eye color, etc.
- Letter & Number of the Week: A & 1
- Count on Math: Exploration
- Songs & Finer Plays: Friends, Five Little Friends, Do You Know This

Friend of Mine, The More We Get Together, Beth Met a Friend

Bring a magazine clipping of something that begins with the letter A or a picture of a friend to school on Friday to share with the class.

Week 2 – Self – The Human Body

This week we will be studying The Human Body. Preschool aged children are becoming more aware of their bodies and how they operate. The body is a source of endless fascination with children.

Activities:

- ...discuss nutrition & healthy snacks – Party on Friday
- ...measure our height & weight
- ...chart our findings from smallest to largest
- ...make healthy blueberry muffins on Wednesday

...trace our bodies in Art Center

- ...glue beans in the letter B
- ...find & discuss the number 2
- Letter & Number of the Week: B & 2
- Count on Math: Exploration
- Songs & Finer Plays: 2 Little Blue Jays, Finding Colors, Brush Your Teeth, My Body

Bring a magazine clipping of something that begins with the letter B or a picture of the human body to school on Friday to share with the class.

Week 3 – Communications

This week we will be studying Communications and how we get our ideas across to others. The children will become aware of different ways we communicate through our voices, letters, using hands, and

our bodies. They will become familiar with machines that are used to communicate such as television, radio, computer, typewriter, and telephone.

Activities:

- ...make homemade butter
- ...glue string on the #2

...discuss vibrations & causes of vibrations

- ...create traffic lights
- ...play charades
- Letter & Number of the Week: B & 2
- Count on Math: Exploration
- Songs & Finer Plays: Call a Friend, A

Letter A Letter, Twinkle Traffic Light, I'm a Little Mail Carrier

Bring a magazine clipping of something that begins with the letter B or a picture of communication to school on Friday to share with the class.

Week 4– Safety

This week we will be studying Safety. We will learn about safety at school, home, and outdoors. Through this unit, the children will also become aware of traffic signs and their importance.

Activities:

- ...take a walk around the school to look for safety items
- ...look a safety pictures & signs
- ...learn about ourselves & make an ID card
- ...learn a rhyme about traffic lights
